* PDUs/ contact hours recognized by the Project Management Institute.

** Approved for Professional Development Credits towards SHRM-CP and SHRM-SCP recertification through SHRM.

Agile Project Management

BUSU 0056 Certificate Agile Project Management
Agile project management practices have become the standard for software development projects. More recently, Agile has grown beyond software projects as more and more companies adopt Agile concepts and methodologies. Individuals who have a solid understanding of Agile have a distinct advantage in today's changing project management atmosphere. The courses included in this certificate program will provide managers the basic foundation they need to become competent Agile practitioners. The program introduces the learner to the basic methodologies, practices, and key concepts of Agile and enables the learner to explore, through case studies, many of the common challenges of working on an Agile team. 1.9 credits.

- 19 clock hours/1.9 CEUs

* PDUs/ contact hours recognized by the Project Management Institute.

BUSU 0014 Agile Project Management (ACE CREDIT®)
This online course introduces learners to Agile methods of project management. Beginning with an introduction to the core philosophy of Agile and the basic structure of an Agile project, the following modules address specific challenges that may be encountered by teams using Agile, best practices for integrating Agile methods into Waterfall environments, and the principles of Scrum, one of several specialized Agile methods. The self-paced course offers an assortment of interactive exercises, videos, selected readings, case studies, and self-assessments that engage students and provide opportunities to practice their project management skills in an Agile context. This Certificate includes six courses: 1. Introduction to Agile 2. Principles of Scrum 3. Integrating Agile Into a Waterfall Environment 4. Challenges for Agile Teams 5. Agile Project Management Introduction Course (ACE CREDIT®) and 6. Agile Project Management Final Exam (ACE CREDIT®). 2.9 credits.

- 29 clock hours/2.9 CEUs
- 3 ACE Credits*

*This course has been evaluated by The American Council on Education's College Credit Recommendation Service (ACE CREDIT$^{®}$) with a recommendation of 3 credits, lower division, in Agile Project Management..

**PDUs/ contact hours recognized by the Project Management Institute.

BUSU 0015 Introduction to Agile
This introductory-level course explores the methodologies and practices of Agile development and explains the key concepts and principles that form the foundation of Agile project management. This self-paced course contains vocabulary games, flashcards, and interactive exercises to supplement and enhance your understanding of Agile concepts, as well as video segments from Agile experts to help you become a more proficient Agile practitioner. 1 credit.

- 10 clock hours/1.0 CEU
- 10 PDUs*

* PDUs/ contact hours recognized by the Project Management Institute.

BUSU 0016 Agile Improvement Simulation: SaaSy Corporation
In this simulation, you'll assume the role of an Agile coach hired to help refine an organization's transformation. The simulation, designed for adult learners with some Agile experience, will ask you to make decisions as you confront common Agile issues. Each decision you make will include tradeoffs that will increase satisfaction in some areas but may hinder other areas. Your task will be to select an option that best benefits your organization. As you make your choices, an adaptive scoreboard will reflect the impact of those choices on organizational success. Your goal will be to optimize your score across several organizational factors. You'll use the results of your actions to inform subsequent decisions as you complete the simulation. 1 credit.

- 10 clock hours/1.0 CEU

BUSU 0017 Agile Certified Practitioner (PMI-ACP)® Practice Exams & Exam Strategies
This course is designed to assess your readiness to take the Project Management Institute's Agile Certified Practitioner (PMI-ACP) Exam. The course contains two 120-question practice exams, which cover the information in the current PMI Agile reading list. The practice exams provide a comprehensive review of the material in this list as well as key strategies for preparing for the PMI-ACP Exam. 2.1 credits.

- 21 clock hours/2.1 CEUs
- 21 PDUs*

* PDUs/ contact hours recognized by the Project Management Institute.

BUSU 0067 Principles of Scrum
This course outlines the fundamental theories and principles of Scrum frameworks, including the underlying philosophy and essential tools practitioners need to adapt to an Agile way of working. Implemented properly, these techniques can produce extraordinary results for stakeholders and customers. Information in this course is presented in a simple, easy-to-understand format and augmented by interactive games and exercises to improve learner understanding and retention. Case studies and video segments from experienced Scrum professionals provide real-world tips and guidance to bolster learner comprehension and expand knowledge at practical and applicable levels. 1 credit.

- 10 clock hours/1 CEU
- 10 PDUs

* PDUs/ contact hours recognized by the Project Management Institute.
