

EDUCATION/PROFESSIONAL DEVELOPMENT FOR PRE K-12 TEACHERS, ADMINISTRATORS AND PARAPROFESSIONALS

Extended Education offers many academic credit courses and professional development opportunities for Pre K-12 teachers, administrators, and paraprofessionals. The programs and individual courses noted below are representative of the offerings available for educators interested in degree programs, clearing credentials, adding authorizations, moving up the salary scale, and enhancing professional skills and knowledge. From innovative online programs to partnerships with thought leaders in education, University of Massachusetts Global is dedicated to enriching the lives and practice of educational professionals. For more information on available courses and programs for Pre K-12 professionals and paraprofessionals, see <https://www.umassglobal.edu/academic-programs/extended-education> (<https://www.umassglobal.edu/academic-programs/extended-education/>).
